

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF WESTERN LEWIS-)	CASE NO. 9642-KK
RECTORVILLE WATER AND GAS DISTRICT)	

O R D E R

On February 4, 1987, the Commission issued its Order in Case No. 9642 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On January 18, 1991, Western Lewis-Rectorville Water and Gas District ("Western Lewis") notified the Commission that its wholesale cost of gas would be increased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective February 1, 1991, and submitted with its notice certain information in compliance with its purchased gas adjustment clause ("PGA") on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

(1) Western Lewis's notice of January 18, 1991 set out certain revisions in rates which Western Lewis proposed to place into effect, said rates being designed to pass on a wholesale

increase in price from its supplier in the amount of \$1,238 or 1.99 cents per Mcf.

(2) Transmission applied with the Federal Energy Regulatory Commission for increased rates with an effective date of February 1, 1991. Western Lewis requested a waiver of the 30-day filing requirement. Pursuant to KRS 278.180, upon Western Lewis's showing of good cause, Western Lewis's request should be granted. The effective date for Western Lewis's rates should be on and after the date of this Order. Transmission's rates are subject to refund; hence, Western Lewis's rates should be subject to refund.

(3) The adjustment in Western Lewis's rates under the PGA provisions approved by the Commission in its Order in Case No. 9642 dated February 4, 1987 is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after the date of this Order, subject to refund.

IT IS THEREFORE ORDERED that:

(1) The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after the date of this Order, subject to refund.

(2) Within 30 days of the date of this Order, Western Lewis shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 15th day of February, 1991.
